I _____ (the undersigned) understand, acknowledge, and agree to accept the conditions and requirements of my participation in the projects of the CSUMB Institute of Archaeology, including – but not limited to -- the Museum Education Project, the Alta California Mission Research Project, and any other San Juan Bautista-related project developments where original text, photographs, audio, video, and other multimedia are produced. It is fully understood that all creative and other rights (including copyrights) to text, photographs, audio, video, and multimedia produced, supervised, or sponsored through the grants or personal resources of Dr. Ruben G. This same agreement pertains to authorized parties, who are not to use, distribute, commercialize or otherwise remove said materials from their intended purposes as per Dr. Mendoza's intended objectives and project requirements.
