### Scholarship Support

2001

A Proposed Conservation Treatment for the Santos of the Main Altar Reredos of Old Mission San Juan Bautista, California: An Historic Preservation Grant Proposal. The California Missions Foundation, San Francisco. \$17,000

2001

Interactive Learning Modules for Facilitated Teaching and Learning. CSU Chancellor's Faculty Development Awards, California State University Monterey Bay. \$1000

2000

Cooperative Program by Area Schools and Libraries to Share and Educate Our Diverse and Rural Communities About Their Rich Local California History. Carl Martin Luck Memorial Library grant application, California State Library Services and Technology Act grants program, Sacramento. Patricia Larkin, Principal Investigator. \$150,000

2000

The Conservation Treatment of an Endangered Late 18<sup>th</sup> Century Spanish Colonial Painting from Old Mission San Juan Bautista, California. The California Missions Foundation, San Francisco. \$5,000

2000

Archaeology, Multimedia and Online Resources for Old Mission San Juan Bautista. CSU Research, Scholarship, and Creative Activity Awards, California State University Monterey Bay. \$5000

2000

The Community Futures Lab: Bridging Communities Through Civic Investment and the Development of an Online Learning Consortium. MCI Worldcom “Making a Civic Investment” Grants Program, Campus Compact, Brown University, Rhode Island. \$80,000 [Denied]

1999

The Caribou Ranch Class III Pedestrian Survey, Nederland, Boulder County, Colorado. Boulder County Parks and Open Space Department, Boulder, Colorado. Principal Investigator Ruben G. Mendoza, Ph.D., and Project Archaeologist Charles Cambridge, Ph.D. \$18,000

1999

Archaeology and the Development of an Online Resource for Old Mission San Juan Bautista. CSU Research, Scholarship, and Creative Activity Awards, California State University Monterey Bay. \$5000

1999

Time Detectives: An Interactive Apprenticeship in Historical Archaeology. National Endowment for the Humanities Education Development and Demonstration Grants, Washington, DC. \$250,000 [Denied]

1999

Development of an Historic Gardens Interpretive Program for Old Mission San Juan Bautista. California Missions Restoration Fund, Mervyns Foundation and California Office of Historic Preservation, Sacramento. \$3300

1998

Padres Felipe Arroyo de la Cuesta and Estevan Tapis: The Recovery, Analysis, and Dissemination of the Spanish Colonial Ynformes of Old Mission San Juan Bautista. Recovering the US Hispanic Literary Heritage Award, 1999 Grants-In-Aid Program, University of Houston. \$3000.

1997

ArcAtlas GIS and the Archaeology of the American West: An Analysis of Contact-Era 17<sup>th</sup> and 18<sup>th</sup> Century Spanish Colonial and Native American Settlement Patterns. ESRI ArcAtlas Grant Opportunity for Graduate Students, Environmental Systems Research Institute, Inc., Redlands, California. \$3,000 [Denied]

- 1994  
Streetscapes of the Asphalt Jungle: An Exploration of Chicano Youth Identity and Counterculture, 1974-1994 [Photographic Exhibition]. President's Fund for the Humanities Award, Office of the Vice President for Academic Affairs and Research, University of Colorado at Boulder. \$1500.
- 1993  
The Crescent Archaeological Project: An Investigation into the Human Ecology of the Colorado Front Range, 9500-2000 Years B.P. (An Undergraduate Research Opportunity). Undergraduate Research Opportunities Program (UROP) Faculty Team Grant, Office of Academic Affairs, University of Colorado at Denver. \$2,000
- 1993  
The Crescent Archaeological Project: Assessing the Impact of the Altithermal on the Human Ecology of the Front Range, 7500-4000 B.P. Faculty Grant Awards Program Competition (1993-94), The Graduate School, University of Colorado at Denver. \$4,989
- 1993  
The Cholollan Archaeological Project. Summer Research and Developmental Stipends, College of Liberal Arts and Sciences, University of Colorado at Denver. \$2750
- 1993  
American Anthropological Association/National Science Foundation Travel Grants for the 13th International Congress of Anthropological and Ethnological Sciences, Mexico City. \$500
- 1993  
An Undocumented Heritage: The Mexican Southwest in Words and Images, 1870-1930. President's Fund for the Humanities Award, University of Colorado at Boulder. \$2,200
- 1991  
The Roxborough-Crescent Archaeological Project: An Investigation of High Plains Intercultural Interaction, Circa 3000-500 Years B.P. Junior Faculty Development Award, University of Colorado at Denver. \$2,890
- 1990  
Conquest Politics of the Mesoamerican Epiclassic: Circum-Basin Regionalism, A.D. 550-850. Ford Foundation Dissertation Fellowship, Washington, DC. \$18,000
- 1986  
The Study of U.S. Mexico Relations at The Center for Inter-American and Border Studies. National Endowment for the Humanities Summer Fellowships, University of Texas, El Paso. \$3,500
- 1986

Awards Recipient, California State University Forgivable Loan Program, 1986-89.

1983

U.S.- Mexico Studies Program Summer Fellowship, Research support for study of U.S.- Mexico Relations at El Colegio de Mexico, Mexico City. Sponsored by University of Houston. \$3,000

1981

Sigma-Xi Travel Grant, Washington, D.C. \$700

1981

National Hispanic Scholarship Fund Scholar - 1981, 1982, 1987.

1979

Archaeology Fund of the University of Arizona: Research Awards, 1979, 1982, and 1990. \$1500

1978

Graduate and Professional Opportunities Program Fellowship, 1978-1981. University of Arizona, Tucson.

### **Recent Archaeological Fieldwork**

2001c

Principal Investigator: The Langtry-Argandona Property Cultural Resources Survey, Monterey County, California. Report on file at the Northwest Information Center, Sonoma State University, Rohnert Park, California. May 14, 2001.

2001b

Principal Investigator: The Sky Ranch Estates Cultural Resources Inventory, Carmel Valley, California: The Flagg Estate. Report on file at the Northwest Information Center, Sonoma State University, Rohnert Park, California. April 18, 2001.

2001a

Principal Investigator: A Cultural Resources Evaluation of the Gruber Residence: Lot Number 44, Block 48, Monterey Peninsula Country Club Subdivision 1, Pebble Beach, California. Report on file at the Northwest Information Center, Sonoma State University, Rohnert Park, California. March 12, 2001.

2000

Principal Investigator: A Cultural Resources Survey of the Ortiz Minor Subdivision, Moss Landing 7.5', Northern Monterey County, California. Survey Assistant: Chris Dudzik. Prepared for H.D. Peters Company, Salinas, California. April, 2000.

1999

Principal Investigator: Caribou Ranch Class III Pedestrian Survey, Nederland, Boulder County, Colorado. Boulder County Parks and Open Space Department, Boulder, Colorado. Project Archaeologist: Dr. Charles Cambridge, Ph.D. August, 1999 to March, 2000.

1997

Crew Chief: Proyecto Rio Laja Central, Cuenca Alta, Etapa III: Canada de la Virgen. Centro Regional Guanajuato, San Miguel de Allende. Co-Principal Investigators: Luis Felipe Nieto and Donald Patterson, Summer, 1997.

1996

Principal Investigator/Project Curator: The Museum Education Project. Old Mission San Juan Bautista and the CSU Monterey Bay Institute of Archaeology (Spring 1996-present).

1995

Principal Investigator/Project Archaeologist: The Alta California Mission Research Project: A Study of the Archaeology and Ethnohistory of the Old Mission of San Juan Bautista. Old Mission San Juan Bautista and CSU Monterey Bay Institute of Archaeology (Fall 1995-present).

### **Pima Community College**

Fall 1979 to Spring 1982  
Spring 1987 to Spring 1991

Courses taught at Pima Community College (Tucson, Arizona) ranged from those offered through the Pima College Senior Education Program (e.g., Archaeology of the Southwest, Missions of the Southwest, Mesoamerican Archaeology, Streetscapes of the Asphalt Jungle, Native American Religions, Ancient Maya Civilization, Ancient Peru, and many others) to those offered through the main campus and its extension centers. In addition, educational tour programs to Mexico (Mexico City, Oaxaca, Tabasco, Yucatan) were offered through the Senior Education Program and via the Arizona Historical Society on eight different occasions.

### **Bakersfield Community College**

Fall 1982 to Spring 1986

Courses taught at Bakersfield Community College (Bakersfield, California) primarily consisted of those in the Chicano Studies curriculum and ranged from extended studies courses offered at the Delano extension center to those offered at the Bakersfield College main campus (e.g., History of Mexico, History of Chicanos, Ancient Mexico, among others).

### Technical Skills and Resources

**Photography:** Multi-format (35mm, 120mm, 4x5) and photo-technical lab (color/b&w) processing, artifact and product lighting/photography; Nikon digital camera photography and QuickTimeVR panoramic photography.

**Related Technical Skills:** scientific illustration, technical report writing, computer word processing; survey instrument and computer assisted topographic mapping; basic 35mm camera repair; database applications in Visual FoxPro, FileMaker Pro, Excel, Dbase; electronic mail systems including First Class, Quickmail, Telnet.

**Electronic Assessment:** Author of FileMaker Pro templates for the on-line electronic assessment of portfolio-mediated University Learning Requirements and SBSC Major Learning Outcomes. Templates include those for individual deliverables, end-term portfolios, Culture ULR, essays, and technical imaging and multimedia; as well as those for other specific University Learning Requirements of the California State University Monterey Bay.

**Software Proficiency:** Microsoft NT Workstation, QuicktimeVR, Macromedia Director 7, Macromedia Flash 4, Dreamweaver 3, CoffeeCup HTML, Adobe Photoshop 5.5, PageMill, Netscape Communicator/Composer, Internet Explorer, Nikon Coolscan, 3D Cad, AutoCAD 14, ArcView GIS, MapLink, Adobe PageMaker, DeltaGraph Pro, Microsoft Powerpoint, VirtusVR, 3D Home Architect, Corel Presentations, Sambar Server; and Microsoft Office 2000; Corel Suite 8 office programs; Canoma; Lightwave 3D Modeler and Lightwave Rendering.

**Computer Platforms:** Power MacIntosh 9500, Pentium II/Windows98, and NT Server setup and maintenance.

**Photographic Collections:** Archival collection and production of photographs specifically related to research interests; i.e. Mesoamerican, Southwestern, Mississippian, California and Southwestern Missions, Hispanic Colonial, Mexican Republic/Alta California, Plains archaeology and ethnohistory, Mexican American art and culture, and archaeological lab and field methods. Photography collection exceeds 300,000 color transparency images as of July 1996; and approximately 100,000 35mm, 6x4.5 cm, 6x6 cm black and white and color negatives. See Handbook of Hispanic Cultures in the United States: Anthropology (Mendoza & Torres, 1994) or The Latino Encyclopedia (1996) for examples of published photography.
